Family Update 8.21.2020

Dear Families and Friends,

I am grateful for the open and transparent conversations we continue to have with you and your loved one despite all the uncertainty caused by this pandemic. It is my sincere hope that our regular communication provides peace of mind for all of you.

Covid Communication:

Because you have been so accommodating to our preventative measures, you have contributed to the ongoing health and wellness of our community. It is my sincere pleasure to share we continue to have zero diagnosed COVID-19 cases among our members and staff.

Gazebo Gathering Reservations:

We continue to have some openings next week for additional Gazebo Gatherings. These openings will allow the members to see more of their loved ones. Please call the receptionist to schedule the member's 2nd gazebo gathering for August.

Road Construction:

Currently, there is road construction happening at the Veterans Home. We are building an emergency access road around the west side of the care community. If you choose to come to the Veterans Home for a window visit, please be mindful and cautious around the grounds, especially near households A & B. Please stay away from the construction area for your safety.

Member Picnic Today:

Lastly, even though we couldn't welcome you all for our Annual Family Picnic, our culinary team was still able to provide our members with a fun picnic lunch today. It consisted of a delicious grilled steak sandwich, corn on the cob, curly fries, root beer, and much more! We hope that next year we can host another large family picnic!

--

Thank you for allowing us the privilege of serving your family. Please do not hesitate to call us with any questions, comments, or concerns. We appreciate your support.

Best,
